

LEAP High School Attendance Verification Form

Leadership, Education, and Athletics in Partnership's (LEAP's) mission is to develop the strengths and talents of young leaders who create and implement year-round, community based programming designed to achieve positive academic and social outcomes for children living in high-poverty urban neighborhoods. LEAP's model is to employ a college student and a high school student to work as a mentoring team for a group of 8 children. All children are between the ages of 7 and 12 and are matched by age and gender.

In order for the LEAP organization to hire an individual as junior counselor, we need verification that this individual is presently enrolled and attending high school. An official administrative staff member at the school should complete this form.
