

LEAP YEAR EVENT 2025

Sponsorship Levels

For 30 years, LEAP Year Event has been an evening of stimulating conversations, community connections, and rich culture. LEAP Year Event 2025 will have both in-person and virtual options for everyone's comfort and accessibility. We have come up with creative new ways to advertise your sponsorship once you commit!

LEAP Year Event will be on Thursday, February 27, 2025, and is expected to attract over 600 philanthropic donors, business professionals, and community leaders from the Greater New Haven area and beyond. We will advertise your sponsorship to our 6,000+ donors through our direct mailings, website, social media, and invitations. Once you commit to being a LEAP Year Event sponsor, we will make sure the entire LEAP community knows about your commitment to New Haven's children.
