

LEAP Year Event Dinner Hosting Pyramid

To make our virtual conversations feel like an authentic LEAP Year Event dinner, we need to raise \$10,000 to cover guests' meals.

- This hosting pool will support local New Haven area restaurants by covering guests' dinners.
- Hosting at any level of this pyramid comes with two complimentary dinner-included tickets valued at \$150 each to the dinner of your choosing.
- No participation is expected. You don't even have to "attend" that conversation.
- We will acknowledge your being a host in the LEAP Year Event invitation (unless you prefer we don't).

Secure your spot on the pyramid that matches your giving ability to keep the LEAP Year Event experience alive!
